

## WILLIAM BERRI DIES; BROOKLYN PUBLISHER LONG LEADER IN G. O. P.

Proprietor of Standard-Union  
Also Widely Known as In-  
ventor and Manufacturer.

William Berri, proprietor of the Brooklyn Standard-Union and for many years one of the leaders of the Republican Party in this State, died this morning at his home, No. 465 Clinton Avenue, Brooklyn. He had been ill for a year.

Mr. Berri was born Sept. 12, 1848, and grew up in the carpet manufacturing business. Several of his inventions were profitable. He became sole proprietor of William Berri's Socks in 1903 and kept the control until 1909. He had owned the daily Standard-Union for years. He was an ardent Republican from the time the party was founded, and was a delegate to its National Conventions from 1904 to 1916. He never held any salaried office, though he served as President of the Brooklyn Bridge Trustees and in other useful positions.

Mr. Berri owned a printing business for many years, and his invention for type-casting is still widely used. He also founded several trade publications.

Rumors of a scandalous use of money in the election of a Justice of the Supreme Court in 1911 led him to investigate and publish the story of the buying of a nomination for the bench by William Willett Jr., Willett and "Curly Joe" Cassidy, the "boss" who gave him the nomination, were convicted and sent to prison.

Mr. Berri married in 1869 Miss Frances Williams Morris, who died in June, 1910. He is survived by his son, Herbert, and two grandsons.

## SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless to flush Kidneys and neutralize irritating acids.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist, and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders, caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble—Advt.
